## LHWP PHASE II

### ROUND TABLE CONSULTATIVE WORKSHOP ON LIVELIHOODS RESTORATION (AVANI LESOTHO HOTEL, 3 - 4 MARCH 2016)

The Lesotho Highlands Water Project (LHWP) is a multi-phase bi-national Project between the Governments of the Kingdom of Lesotho and the Republic of South Africa.

Phase 1 of the LHWP is virtually complete, while implementation of Phase II of the LHWP has just commenced. Phase II comprises the water transfer and hydropower generation components. The water transfer component comprises a dam at Polihali and a gravity tunnel that will connect Polihali reservoir with the Katse Reservoir, while the hydropower component will comprise the Kobong Pumped Storage Scheme, or a similar scheme.

In line with its Treaty obligations, the LHDA is mandated to implement social development and livelihood restoration programs to ensure that the livelihoods of the project affected people (PAPs) are either maintained or raised above levels obtaining before the implementation of the project. While there are widely accepted international guidelines and best practice on resettlement, the concept and practice on livelihood restoration are little understood, and limited success stories are available globally.

In preparation for the resettlement activities related to Phase II development activities, the LHDA therefore wishes to invite **NGOs** and **social development and environmental consultants** to a **one (1) day round-table consultative workshop** to discuss the principles, best practice and approaches for consideration in the implementation of the livelihoods restoration programmes for affected communities in LHWP Phase II. **Interested parties are requested to download the registration form from the following link (<http://www.lhda.org.ls/phase2/news.php>)**. Completed forms should be e-mailed to **Ms. T. Tiheli** at [tihelt@lhda.org.ls](mailto:tihelt@lhda.org.ls) not later than **Friday 12<sup>th</sup> February 2016**. For more information, interested parties can contact the following:

1. Mr. Morake Rakhoba- (Tel: 5225 2168)
2. Mrs. TSepang Sekhesa- (Tel: 5250 1919)

Participants are required to indicate interest to participate by completing and submitting the registration form before-hand to enable proper planning. **Due to the limitations of space, participants will be informed beforehand if they are registered.**

**NB:** Please ensure that the filled form is in PDF format and is less than 4 megabytes (**4MB**). Otherwise the form might not reach us
