

THE INTERNSHIP PROGRAMME OPPORTUNITY

The LHDA invites applications from students seeking industrial attachment as mandatory requirement for the completion of their academic studies.

1. DURATION AND REMUNERATION

The Programme offers students internships of six (6) to twelve (12) months, starting from April 2026. The students shall receive a monthly stipend towards their living expenses.

2. ELIGIBILITY

The students must be currently enrolled at a recognized tertiary institution in Lesotho or South Africa, the industrial attachment/internship must be required as part of the academic programme, letter from the institution confirming the attachment requirement and duration,

3. FIELDS OF PLACEMENT/STUDY

- | | | |
|----------------------------|---|-------------------|
| i.Civil Engineering | - | HR/INTERN/CE/26/1 |
| ii.Electrical Engineering | - | HR/INTERN/EE/26/1 |
| iii.Mechanical Engineering | - | HR/INTERN/ME/26/1 |

The LHDA reserves the right to place or not place applicants based on its needs and requirements.

Due to the large amount of correspondence anticipated, correspondence will be undertaken with shortlisted candidates only.

4. APPLICATION REQUIREMENTS

Application letter, Curriculum vitae, certified academic transcripts, copy of national identity card and an official letter from the institution requesting attachment.

5. REPLY INSTRUCTION

Application letter, Curriculum vitae, certified academic transcripts, copy of national identity and official letter from the institution requesting attachment should be emailed in PDF format files not exceeding 4 MB to internships@lhda.org.ls

The specific reference number of the Internship opportunity must also be quoted. Applications received after the notified cut-off date and those that do not meet the basic minimum stipulations will be set aside.

6. CLOSING DATE FOR APPLICATIONS

25 March 2026
